I pledge that my company will do everything in it's power to comply with all laws and regulations regarding the Towing and Vehicle Storage Industry. If there is a law or regulation that is unjust, I will work with the TTSA and within the system to correct it. I will operate my business to make a profit. However, I will not take advantage of vehicle owners in situations that (1) are out of their control or responsibility, or (2) the vehicle is towed without the owner's consent. I will treat the public fairly in all dealing. I will work diligently to improve the image of the Towing Industry, and support fellow towers and TTSA efforts. I understand and agree that this membership is not transferable, and any association sign, emblem or other insignia issued to me is done so on a lease basis while a member in good standing.
